

A man in a dark blue suit and tie is seated at a desk, typing on a silver laptop. The scene is overlaid with a futuristic digital interface. The central focus is the text 'RISK MANAGEMENT' in a bold, white, sans-serif font, which appears to be glowing and floating in the air. Surrounding this text are various data visualization elements: a globe at the top center, several line graphs and bar charts in shades of blue and white, and a network of interconnected nodes and lines. The overall aesthetic is high-tech and professional, suggesting a focus on data-driven risk analysis in a corporate setting.

**RISK
MANAGEMENT**
